confession time(?)

meadowbear38

Hey y'all, it's been a while since the last time I've been here (4 months, I think?), but I just wanted to get something off my chest -- I'm Seafoam. I made this account over a year ago so that I could have a fresh start without my past mistakes affecting the way that people interacted with me.

If I'm being totally honest, I wasn't the greatest person on my old account, and if I've hurt you at all, I sincerely apologize.

I'll probably be popping onto Home Base every once in a while, but for now, I guess this is goodbye. I've made so many memories this past year, and I'm really going to miss this place.

Until we meet again, everyone.

I don't know who Seafoam is, but thank you for admiting that you're them. And thank you for apologizing, I hope that any of the people you may have hurt forgive you.
